Kew Observatory
Richmond April 30
1858

Dear Sir

Admiral Fitzroy informs me that you are desirous of seeing this Observatory. It will give me much pleasure to see you here on Tuesday or Wednesday next any time before 2 Oclock.

Your best way is to come by Railway from the

Waterloo Station to Rich-
mond (not Kew). The en-
trance to the "Old Deer
Park" in which the
Observatory is situated
is close to the Richmond
Railway Station

I am Dear Sir

Yours Faithfully
